

# *City of Milton*

April 6, 2020

Dear Parents and Players:

I would like to thank you for choosing the City of Milton to play baseball/softball this year. I would also like to thank you for your patience and understanding during this difficult time. As you know a 30-day stay at home order has been issued, schools have an expected date of return of May 1, both of which could be extended. Even if we could resume May 1, teams would need time to practice assuming they could still field a team. Because of this uncertainty, the City has made the very difficult decision to cancel the spring baseball/softball season.

Over the past few weeks we have been in contact with Gospel Projects and parks in the Gulf Coast Girls Softball Association. Gospel Projects has terminated their season as well as several parks in the GCGSA. Taking this information and the uncertainty of future events we feel like this decision will allow you to proceed with your plans.

We will begin the paperwork this week to make full refunds to you. This process should be completed, and a check issued to the address on your registration form by the end of April. If you have had a change of address please email [jnorton@miltonfl.org](mailto:jnorton@miltonfl.org) so we can update our paperwork.

Once again thank you for choosing us and we look forward to seeing you next year or sooner. We will be getting information out soon about our plans for football and cheerleading program.

Sincerely,

*John Norton*

John Norton

City of Milton Parks and Recreation Director
